SHREYA CHAKRABORTY

[+91]9883492973 | helloshreya01@gmail.com | LinkedIn | GitHub

SUMMARY:

Aspiring full-stack software developer adept in frontend development, with proficiency in various programming language.

TECHNICAL SKILLS:

- **Frontend:** Javasctript, CSS, HTML
- **Database:** MySQL
- **Language:** C, Java, Python
- **DSA:** Java
- **GUI:** Python, Java

EXPERIENCE:

Although I am student with no work experience, I have honed my skills through hands-on projects. These experiences have allowed me to apply theoretical knowledge to practical scenarios, developing a strong foundation in programming, problem-solving, and teamwork.

PROJECTS:

[Link] Web Dev: Online Test System

Tech Stack: Django Framework, HTML, CSS, DBMS

- Django-based Online Testing System for seamless assessment.
- Effortless user registration and login with secure credentials.
- Robust database management, test history tracking, and average point calculation for efficient online assessments.

[Link] Graphical User Interface

Tech Stack: Python, Java GUI

- Developed Python-based GUI applications including a Notepad, Scientific Calculator, Language Translator, and Message Encryption-Decryption tool.

- Developed a Java Swing-based Unit Converter application, showcasing strong GUI design skills and proficiency in handling various conversion functionalities.

- Designed and implemented a Book Management system integrated with MySQL, demonstrating expertise in database management and creating user-friendly interfaces for efficient data handling.

EDUCATION:

Haldia Institute of Technology , Haldia | Bachelor of Technology in Computer Science and Engineering | October 2021 to Present
